Declaration of Assent for Feedstuff Suppliers

We, the undersigned, hereby confirm that we undertake in Denmark solely to sell blood plasma, feed that contains blood plasma or goods that contain products originating from pigs, with the exception of pig fat, purchased from:

- A. Suppliers of these products named on the list »Approved Suppliers and Producers« managed by DANISH Product Standard, or
- B. Other suppliers or producers that in a satisfactory manner and with proper documentation are able to prove that they comply with the requirements laid down in DANISH Product Standard.

We also confirm that in the event that the above is not observed and in the event that we obtain positive information that errors have occurred during production at the supplier resulting in failure to observe the specified production form we shall to the extent that it is possible immediately withdraw the product sold by us that contains products that were not treated according to specifications from the market. All costs related to this product withdrawal shall be paid by us.

We furthermore confirm that a third party certifying body shall at all times be entitled to undertake audit of compliance with the above.

This declaration of assent is aimed at all feedstuff suppliers that sell feed that contains plasma or goods that contain products originating from pigs with the exception of pig fat in pure form or mixed directly to livestock producers.
